Please arrive at games at least 30 minutes before the game time. If the previous game finishes early, there will only be 5 minutes before our games begins, so it is important that we are there and ready! We will stretch and warm up as a team before the matches.

Matches are played using rally scoring with games to 25, 25, and 15. Must win by two. The last game will be played only if needed.

I will need a volunteer for line judge for every match. Line judges should refrain from cheering and coaching.
