

IT'S HERE EMBRACE IT, LOVE IT

It's here once again, the Lenten season. The season to grow in holiness by deepening your relationship with Jesus. Some of us will fast, while others pray more. Whatever one decides to do, and sticks with it, it will help them celebrate Easter in a fuller way.

As a suggestion, I would like to offer for your consideration, something of a small challenge for a Lenten project. This project is called the FOUR ABSOLUTES, taken from a pamphlet by the same name. The ABSOLUTES are; Honesty, Unselfishness, Love and Purity. Working on these 4 simple attributes throughout the Lenten season can, and will, help one to grow not only in their relationship to God, but to others as well.

HONESTY.....Do I perceive to be someone I'm not?

UNSELFISHNESS.....Who comes first, others or me?

LOVE....Offering one's self for others. How far am I willing to go? (Best example: Jesus)

PURITY....A quality of mind and soul. Is it right or is it wrong?

Just a suggestion, but I do believe it is good food for thought, when we ask ourselves: "How am I doing in these areas of my life, and what can I do to improve them?"
