

GOOD MORNING

A number of years ago I was given a short reading that I stuck on my bath room mirror. I read this prayer every morning. It has proven to me that by putting the reading into practice on a daily basis, life is much easier to handle.

The reading has a friendly greeting from a friend who loves me more than words can express, at once I know I'm loved (Wow!). This friend takes all the pressure off me for the tasks that lay ahead, for He promises to handle them all and lets me know He will not need any help. After telling me that, I'm given permission to go and have a nice day.

I share this reading with you as I'm sure you're not any different than I when it comes to wanting a good day no matter what is coming your way. Coupled with turning your life over to the care of God and then letting go, this reading is a tremendous way to start the day. My prayer is that you find it as rewarding as I have, and feel the power of God's helping hands when doing so.

GOOD MORNING, THIS IS GOD

I WILL BE HANDLING ALL YOUR PROBLEMS TODAY.

I WILL NOT NEED YOUR HELP,

SO HAVE A NICE DAY.

DEACON LEN
